

PRODUCT INFORMATION

JELLY PINE

CONCENTRATED PINE-SCENTED GEL SOAP

- Features** : Effective pine scrub soap for heavy duty cleaning of hard surfaces of oil stains and stubborn soils while disinfects and removes malodours.
- A highly viscous product which will cling to vertical surfaces for effective cleaning by ensuring longer reaction time.
- Especially recommended for places where hard scrub is necessary.
- Uses** : Practical all-in-one heavy duty cleaner used in commercial outlets, food processing plants, factories, workshops and offices.
- Directions** : For a hard scrub, apply sufficient quantity to the surface and scrub using a brush.
- A ratio of 1:20 is used when heavy soiling is encountered otherwise a ratio of 1:50 can be used for most purposes.
- Specifications** :
- | | |
|-------------------|-------------------------------------|
