## MIRASTRIP

### HIGH POWER FLOOR POLISH STRIPPER

**Description** : **MIRASTRIP** is a high power floor polish stripper especially for removing of cross-linked floor polishes.

Its rapid penetrating action is also effective for use as heavy duty detergent, suitable for all hard surface cleaning job.

**Uses** : For the stripping of emulsion polish from linoleum, rubber PVC sealed wood, terrazzo, marble, quarry tile, ceramic tile, vinyl and thermoplastic floors. Also as a heavy duty detergent for removal of dirt from concrete, quarry tile and non-porous surfaces.

**Specifications** : Appearance : Clear pale straw colour liquid  
pH (1% solution) : 11.0 - 12.0  
Sg : 1.020 - 1.040 @ 26 °C

**Directions** : Using a solution of 1 part **MIRASTRIP** to 10 parts of water, mop liberally on a section of floor to be stripped.

Allow solution to remain on floor in a wet condition for 3 - 5 minutes. Scrub with floor machine.

Pick up solution with mop or wet vacuum before it dries.

Rinse floor thoroughly and allow to dry.

**Warning** : Avoid contact with eyes, skin and clothing.  
Harmful if swallowed.
