

PRODUCT INFORMATION

EQ VAP PERFUMED DEODORANT BLOCK

- Description : VAP is one of the most widely used deodorant block available today. VAP is employed in most washrooms specifically in the urinal bowl and w. c. bowl. The strong deodorising power of VAP will quickly eliminate offensive malodour that persists in washrooms.
- Application : In and around washroom.
- Specifications : Compacted block of crystallised compound, available in yellow
- Direction for use : Simply place several blocks in urinal bowl and any suitable area in the washroom.
